Dubner Moderne è lieta di annunciarvi il suo nuovo spazio di esposizione pop up Dubner Projects. Situato a Lugano in Via Guglielmo Marconi 4 (con ingresso tra Riva Giocondo Albertolli 5 e Via Guglielmo Marconi), Dubner Projects sarà sede di mostre dal Venerdì 2 settembre al 29 ottobre 2016.

La prima esposizione di Dubner Projects, *Summer Time* sarà in mostra dal 2 settembre al 1 ottobre e raccoglie un gruppo di sei artisti contemporanei : Sebastian Blanck, Isca Greenfield-Sanders, Li Jin, Matt Mignanelli, Jill Moser e Manuel Müller. Il vernissage di apertura sarà giovedì 15 settembre 2016 dalle ore 18.

In mostra come gruppi selezionati di opere, definiti da un tema, l'esposizione Summer Time riflette scene familiari, memorie ed emozioni a cui tutti noi possiamo riferirci. Sia che siano le esperienze del presente o le nostalgiche memorie del passato, i lunghi mesi estivi senza pensieri sono particolarmente evocativi. Quindi usando le osservazioni astratte e figurative di sei artisti siamo invitati a condividere la transizione di ricordi del passato e ricordi del presente.

Inaugurata nel 2009 a Losanna, Dubner Moderne rappresenta artisti affermati ed emergenti di tutto il mondo che stanno definendo il panorama artistico di oggi e di domani. Con mostre organizzate di continuo di artisti singoli o di gruppi, come anche con partecipazioni a eventi d'arte a Miami, a Basilea e ad Istanbul, Dubner Moderne è attiva nel mercato internazionale dell'arte. Le opere degli artisti della galleria si trovano in collezioni private e in musei come il Moma a New York, il Museo Today a Pechino, il Guggenheim a New York et il Museo Jenisch a Vevey.

Nel mese di settembre e ottobre 2016, Dubner Moderne (Losanna) sarà aperto solo su appuntamento.

Saremo lieti di darvi il benvenuto a Dubner Progetti a Lugano

## Matt Mignanelli

Informed by the diverse industrial landscape that surrounds his studio, the perpetual energy of the city, and his keen attention to the nuances of structure and technique, Mignanelli's works are a refined, contemporary approach to painting. With extreme precision and a steady brush, his free-hand, often monochrome compositions of repeated geometric areas and fine lines, engage the fascinatingly subtle interactions of light and surface.

Born in 1983 Mignanelli is a graduate of the Rhode Island School of Design, a recipient of an artist grant from the Vermont Studio Center, and a guest lecturer at the Parsons School of Design.
